Service Days 2012

23. – 24. October German / 25. – 26. October English

Fette Compacting GmbH – more than a decade of tableting experience and international presence make us your ideal partner for service matters.

To give you a better idea of our services and products, we would like to invite you to a two-day seminar.

In addition to a large number of lectures you will be able to get a close look at our new generation of tablet presses during a machine presentation.

We would be very happy to welcome you as a participant to our Service Days in October of this year.

How can the product life-cycle of a high-value Fette Compacting tablet press be extended through predictable investments?

As innovative leaders with decades of experience, we would like to answer this question – and many others – at the Service Days that will be held in October.

Specialists from each department will put their knowledge at your disposal and discuss the details of the latest generation of FE machines.

You can look forward to a varied program.

+ Seminar venue

Hamburg / Fette Compacting in Schwarzenbek

+ Seminar fees

The seminar fee is 350 € (plus 19 % VAT) per person.

+ Confirmation

We will confirm your reservation without delay by fax. The invoice will be attached to the confirmation.
